# Finance in Motion opens new office in Yerevan

Armenian representative office is Finance in Motion's 12th

**Frankfurt, 6 May 2014** - Finance in Motion, a global leader in asset management and technical assistance for development finance, registered a new regional office in Yerevan, Armenia. The physical presence will strengthen relations with Armenian financial institutions and other stakeholders.

The Yerevan office is Finance in Motion's fourth representative office in the European Eastern Neighbourhood Region, bringing the total to 12.

"Having been active in Armenia for more than 3 years now, we are pleased to take our activities there to a new level with this representative office", says Sylvia Wisniwski, Managing Director at Finance in Motion. "Establishing a permanent presence in Armenia was a logical step in view of the strong partnerships we have developed in the financial sector and our expanding development finance portfolio regarding small business support and energy efficiency."

The contact details for Yerevan:

67, Hanrapetutyan street

0070 Yerevan, Armenia

### **About Finance in Motion**

Finance in Motion is an alternative asset manager exclusively focused on development finance and manages investment vehicles to promote sustainable economic, social and environmental development. Finance in Motion has over EUR 1.2 billion of investor commitments under management (as at 31 December 2013) leveraging development aid through public private partnerships. In line with the development mission of each fund, Finance in Motion develops partnerships with eligible financial institutions and projects covering debt, mezzanine and equity, as well as non-financial advisory services (technical assistance). Finance in Motion has offices in Frankfurt/Main, Germany, and in a further 12 cities covering operations in 24 countries in Southeastern Europe, the Caucasus, the Middle East and North Africa. Finance in Motion currently provides asset management and technical assistance management services to the following development finance vehicles: the European Fund for Southeast Europe (EFSE) – finance for micro-, small and medium enterprises (MSME finance); the Green for Growth Fund, Southeast Europe (GGF) – energy efficiency and renewable

energy; and the SANAD Fund in the Middle East and North Africa region – finance for micro-, small and medium enterprises (MSME finance) and employment creation.
